

Artist in Residence Program

Application data 2014

The Artist in Residence Program is a three year partnership (2013 – 2015) between the Australia Council for the Arts and the Queensland Government (Arts Queensland in the Department Science, Information Technology, Innovation and the Arts and Department of Education, Training and Employment).

How many people applied?

The Artist in Residence Program 2014 involved a two-part application process. 92 expressions of interest (EOI) were received. 24, or 26%, of these applications progressed to full application stage. Of the 24 full proposal applications, 12, or 50%, were successful in acquiring investment funding.

Who applied?

79% of full proposal applications came from Queensland schools. A further 17% were submitted by Queensland Government approved kindergarten program providers and 4% by tertiary institutions.

Queensland schools had the largest percentage of successful applications (75%), followed by Queensland Government approved kindergarten program providers (17%) and tertiary institutions (8%).

How much?

The total final amount requested by applicants who progressed to the full proposal application stage was \$445,994.

\$230,000 was invested in 12 residencies across 16 Queensland school communities.

Applicant type	Number of full proposal applications	Number of successful applications
Queensland schools	19	9
Queensland Government approved kindergarten program providers	4	2
Tertiary institutions	1	1

Residencies by Location

Brisbane, Greater South East Queensland and Outside South East Queensland shared equal numbers of successful applications.

Brisbane

6 full proposal applications
4 successful applications

Greater South East Queensland

8 full proposal applications
4 successful applications

Outside South East Queensland

10 full proposal applications
4 successful applications
